**FOUND FACES
PROPOSAL**

Hi All!

Welcome to another street arts @home activity. Today we are looking at "found faces"! You don't need any materials to start this activity, you just need to look!!!

USE YOUR EYES

Have a look around your house...see if you can find any faces without having to move objects.

Maybe you can have a search when you are out for your daily walk/run/cycle?

I found this indoors
but maybe you can
see faces outside!!

TAKE PHOTOS!!

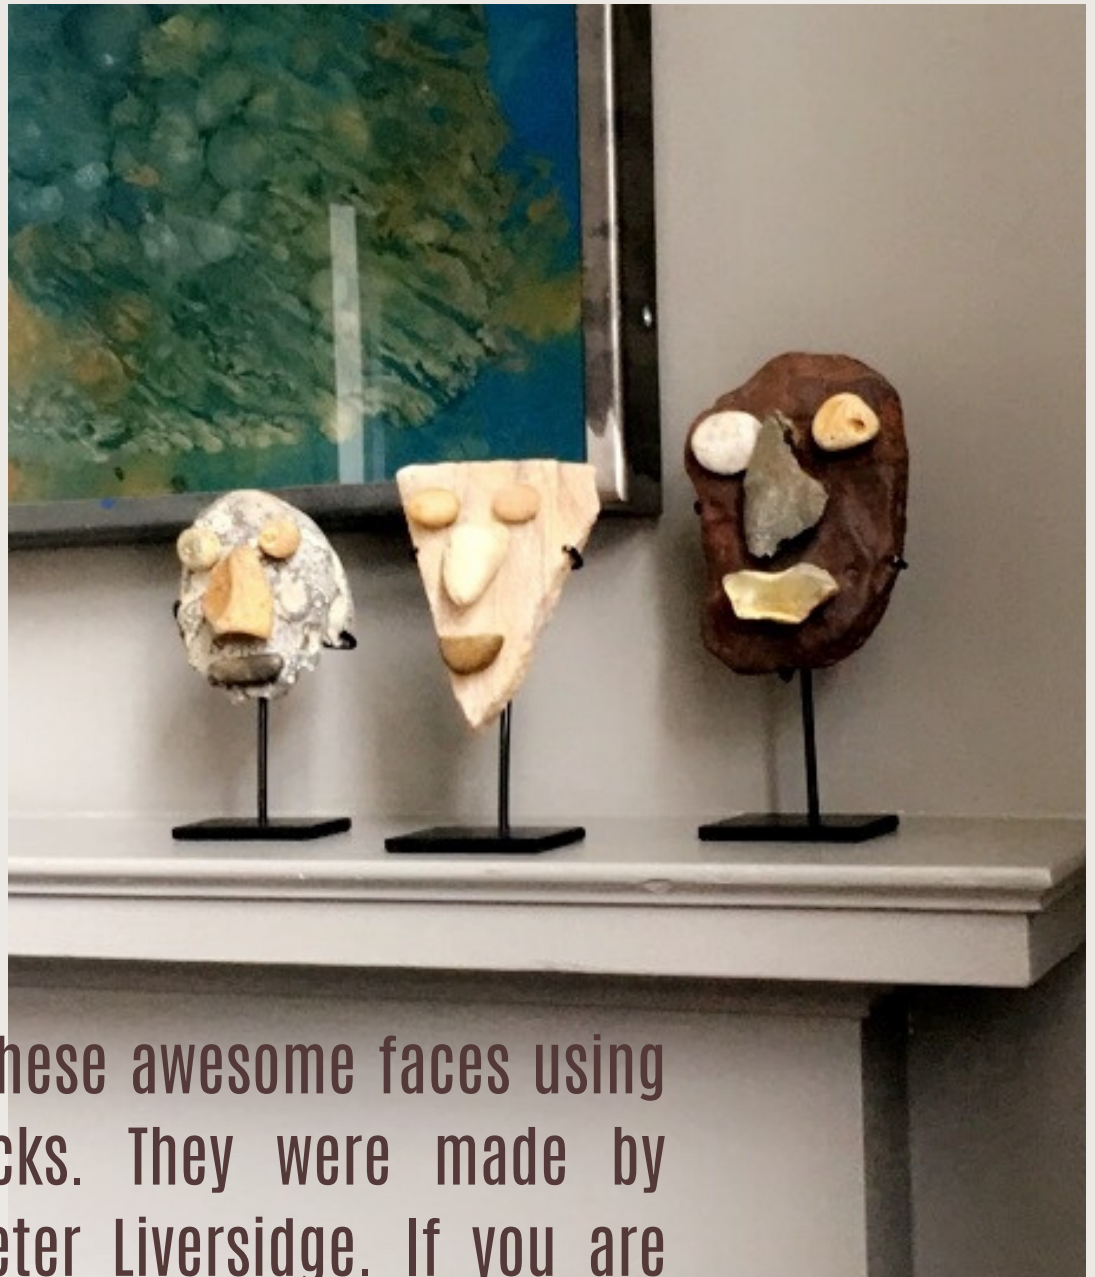

Did you know...

Finding faces in everyday objects is called "Pareidolia"

STRUGGLING???

ME TOO!

Take a look at these awesome faces using stones and rocks. They were made by British artist Peter Liversidge. If you are interested in his work check out his webpage: <http://www.peterliversidge.com>

WITH THAT IN MIND...

Why don't you try creating your own faces using objects that you can find in your house?!

Here are a few examples that I made at home

Get
creative in
your kitchen

Or why not
use random
objects like
toys, candles
and clothes?!

DON'T FORGET TO SHOW US YOUR FACES BY POSTING THEM USING HASHTAG WHALEARTSPACK

*If you are under 13 please ask your adult to do this for you

Enjoy and see you next time!!
